3.) Dan's organization, the New Jersey European Heritage Association, is a full-on "14 words" Nazi organization: "We must secure the existence of our people and a future for white children."

The steps that we are taking help establish a means of communication with our people, bypassing the controlled news and entertainment media, enabling them to wake up and break their paralysis. Once that is achieved, swift and immediate action can be taken against the people who are destroying our race and civilization.

Our creed can be summed up by fourteen simple words; we must secure the existence of our people and a future for White children.

4.) If you're not familiar with the "14 words," they're a white nationalist slogan coined by David Lane, founder of The Order: [en.wikipedia.org/wiki/Fourteen ...](https://en.wikipedia.org/wiki/Fourteen_words)

5.) They've also been flyering, recruiting more to their hateful cause and spreading fear in our communities:

12.) Dan's also a Holocaust denier, and asserts that "Jews weren't the victims, but the culprits" in one of his fliers. CW: LOADS of antisemitism in that image

*Russian laborers overworked and starved in Soviet Gulag

In Eastern and Central Europe, Jewish Communist murdered 30,000,000+ European Christians, five times the questionable 6,000,000 Holocaust number. Why don't we hear about the 30 million? Because Jews weren't the victims but the culprits. This tragedy doesn't fit their (((Hollywood))) narrative.

17.) By the way, fuck that cop for protecting them, too. He's part of the problem. Dan D'Ambly and Patrick Little were spreading *exactly* the kind of antisemitic rhetoric that motivated the massacre in Pittsburgh on Saturday.

18.) I need your help, everyone. Here's what you can do for me-- let

know that one of their printers in Jersey City, Daniel D'Ambly, is the leader of a hate group. Get him fired. Hate has no place in our communities.

19.) Stay on top of this, too. If you don't hear back from [@NYDailyNews](#)

, keep tweeting at them. Call their printing facilities in Jersey City at (201) 946-6000 to warn them about Daniel D'Ambly, leader of the New Jersey European Heritage Association.

20.) We can beat back the hate in our communities, folks, but it's going to take all of us working together. And Dan, if you're reading this: You don't get to spread antisemitic bullshit in our streets. Hate has consequences, you fucking jabroni.
